

**Job:** Landscape Architect –2 – 10 Years Experience

**Date:** September 24, 2020

**Location:** Hermitage, PA, Cranberry Township, PA, St. Clairsville, OH, or Mansfield, OH

**Job Description:** Want to be part of a dynamic, growing, professional team? We are looking for a creative, talented, Landscape Architect that is looking to grow in a multi-disciplined work environment. The successful candidate will work closely with other professionals in all aspects of project planning, sketching, design, permitting, and plan preparation on a variety of land development, urban design, education, park, resort, public garden, and ecological projects. Specific work may include site design including master planning, layout, grading, planting design, construction detailing, storm-water management and green infrastructure, erosion control, utility coordination, wetland mitigation, natural stream channel design, associated State and Federal permitting, construction cost estimating, and cultural landscape projects.

Work experience on land development projects, knowledge of plant materials, and graphic rendered plans/photo simulations skills required.

Positions located in Hermitage, PA, Cranberry, PA, St. Clairsville, OH, or Mansfield, OH depending on experience level.

**Requirements:** B.S. in Landscape Architecture required. Professional Landscape Architect (PLA) license/Registered Landscape Architect (RLA) preferred, but not required; minimum of 2 – 10 years experience preferred. Must be proficient in AutoCAD Civil 3D, Sketchup, Photoshop, and Microsoft Office. GIS experience, hand sketching and Abode Creative Suite, a plus.

Salary is commensurate with qualifications and experience. WallacePancher Group offers a competitive benefits package.
