## **Site Planner/Landscape Architect – Mid-level Position Available**

**Glackin Thomas Panzak** is a land planning and landscape architecture firm located in Paoli, PA. Our projects include site planning and landscape architecture for institutions, mixed-use developments, town centers, multifamily and commercial projects, senior living communities, traditional neighborhoods, GIS studies, and estate landscape architecture.

Our clients are universities, schools, healthcare entities, developers, landowners, builders, and municipalities. We prepare environmental analysis plans, site master plans, landscape plans, construction documents, presentation renderings, and planning and open space management studies. We are involved in every aspect of a project from site selection, design, project coordination, municipal approval, to site construction observation, plant selection, and final field review.

### **Mid-level Site Planner / Landscape Architect** (8-12 years' experience):

Landscape architect or urban planner with leadership skills and a passion for place-making. Must have experience with complex planning assignments and have exhibited creativity in developing site plans for residential, mixed use, and TOD developments. The successful applicant will have a full understanding of zoning and land development regulations and be able to explain and present concepts verbally and in writing.

Applicants must have a BLA from an accredited landscape architecture program, or similar design degree, a master's in planning is a plus. See below for required skills.

### **Skills:**

- Strong knowledge of zoning and planning
- Ability to juggle multiple projects/tasks
- Thrives in a fast paced, collaborative, deadline-oriented work environment
- Ability to communicate in a clear concise and professional manner both verbally and in writing
- Proficiency in AutoCAD, Photoshop, Sketch-Up, InDesign, Lumion, and GIS
- Proficiency in hand sketching and rendering
- Knowledge of sustainable design

**Glackin Thomas Panzak** provides employee training, skill development, and career growth opportunities. Additionally, we offer excellent benefits including but not limited to paid time off, health, dental, and prescription plans, disability, and a 401K plan with an employer contribution.
